

Create a consultation

Reason: ...

Alert: 08/09/2021 04:55 PM

1 Declare a new admission

2 Look for a known patient

OR

If the patient is unknown in the database

2 bis OR **2 ter**

Create a new identify (spectator, etc.)

3 Validate the admission

Save

1 Declare a new admission

4 Open the health folder

List of patients presently cared in the Aid Station

4 Be aware about a medical history of the patient

Notes

Timestamp: 8/9/21, 5:13 PM

Message: Felt down 1 km before finish

Add a note or free text if needed

Constants

Creator	Timestamp	Circulatory	Respiratory rate	Neurological	Metabolic
		HR (bpm)	RR (bpm)	GCS (/15)	Sugar (g/L)
Formation LOGICOSS	08/09/2021 04:58 I	110	98	PAIN	0.8

Pathologies index logicoss®

Osteoarticular	Wound, hematoma & eye	Cardiology	Drug related	Urinary	Respiratory
Amputation	Blister	Cardiac Arrest	Drunkenness - Alcohol Related	Urinate inability	Covid case contact
Knock - Shock	Blindness	Other Cardiac	Susbtance Related	Urinary infection (UTI)	Covid risk factor
Muscle strain	Conjunctivitis - Pink eye	Blood pressure drop	Ethylic coma	Red urine	Covid - Coronavirus Major Sign
Muscle contracture	Foreign body (in wound)	Dehydratation	Susbtance related coma	Renal colic	Covid - Coronavirus Minor Sign
Contusion	Forein Body (in external eye)	Chest Pain (Cardiac)	Both Substance and Alcohol related coma	Anuria	Cough
Cramp	Abrasion	Collapse at effort ending	Both Substance and Alcohol Related	oliguria	Respiratory Arrest
Muscle tear	Scrape - graze	Collapse during effort	various poisoning - intoxication	Kidney stone	Asphyxia
Joint pain	Envenomation by sting - bite	Electrical Injury	Medicine related poisoning - intoxication	Rhabdomyolysis	Asthma
Ligament pain	Bruise	Hemorrhage	Medicine related coma		Other - Various Respiratory issue
Muscle pain	Under nail bruise	Rhythm disorder	CO poisoning - intoxication		Breathing inconvenience
Crushing Injury	Superficial laceration	Tachycardia	CO related coma		Drowning / Immersion
Sprain or Strain	Sting - bite	Hypertension - high pressure			Various respiratory disturbance
Compound / Open fracture		Hypotension - low pressure			Desaturation
Inflammation - Irradiation	Ungrowing nail	Aortic aneurism			Chest pain (Breathing)
Dislocation	Eye injury	Hemorrhagic shock			Hypoventilation
Tendinite	Wound				Tachypnea
Muscle Tetany					Costal-Thoracic Flap
Head Injury	Non-suturable wound				Pulmonary - Lung contusion
Dental injury	Open wound				Hemothorax
Minor limb Injury	Minor wound				Pneumothorax
Fasciitis	Sutured wound	Self Treatment request	Gastrointestinal	Illness & allergies	Analyzes and Biologies
Gastrocnemius strain	Vision impairment	Adhesive Bandage Strip/Bandaïd	Diarrhoea	Cephalalgia	Positive Covid nasal PCR test
Various Bone, Joint and Ligament pain	Forefoot blister	Emergency Contraception	Abdominal Pain (Gastro)	Pain	Positive Covid saliva test
Douleur thoracique pariétale	Toe blister	Hearing Protection	Douleur Abdominale diverse	Epistaxis - Nose bleed	Positive Covid serology test
Fracture	Heel blister	Simple Analgesia	Nausea	Skin - Rash	Positive Covid antigen test
Stress Fracture		Sun Protection/ Sun Cream	Occlusion	Fever	
Metatarsal fracture		Tampons / Sanitary Napkins	Vomiting	Irritation	Positive Covid nasal RT-Lamp test
Injury to Internal		Water	Impaired fasting glucose (IFG)	Toothache	Negative Covid nasal RT-Lamp test
Spinal cord injury		Medical Certificate	Abdomen aigu	Faint	Covid Nasal RT-Lamp Test Error
Intracranial Injury	Neurological	Initial Medical Examination	Diabetes related	Headhache	
Metatarsalgia	Besoïn de repos		Pelvis Pain	Allergic Reaction	Nasal Covid PCR test negative
Oedema	Confusion		Hypoglycemia with diabetes	Red eye	Covid negative saliva test
Periostitis	Convulsion		Hypoglycemia without diabetes	Other minor illness	Covid serology test negative
Pubalgia	Déficit neurologique		Hyperglycemia with diabetes		Covid antigen test negative
Sesamoid related injury	Epuisement		Hyperglycemia without diabetes	Skin maceration	
Fatty pads syndrome	Fatigue		Constipation	Ear (earache, otitis)	
Compartment syndrome	Vertige	Burn & thermal related	Retroperitoneal pain	Allergic shock	
Patellofemoral pain syndrome (PFPS)	Inconscient	Burn or Corrosion	Sub occlusion	Angina	
Patella Syndrome	AVC - Accident Vasculaire Cérébral	Sunburn		Septic shock	
Inflammatory syndrome	Coma - Collapsus	Insolation - Sunstroke		Influenza	
Tendonitis	Nevrome de Morton	Stroke			
ENT injury	AIT - Accident Ischémique Transitoire	hyperthermia related coma			
Bone pain	Choc Neurogénique	hyperthermia	Gynecology	Mental health	Death
	Coma hypothermique	hyperthermia related coma during effort	Vaginal Bleeding	Fear	Death
	Hématome sous-duro	Sunburn synonym	Other obstetrics & gynaecology	Anxiety	
	Hémorragie méningé	Hypothermia	Childbirth	Disorientation	
	Hyponatrémie	Frostbite	Threat of childbirth	Panic Attack	
	Intoxication à l'eau (Neurologie)	Hypothermia related coma	Vaginal Infection	Other Psychiatric Disorder
